

## COMPANY OVERVIEW

**Blue Life Security, LLC** is a trusted provider of comprehensive armed and unarmed security services, executive protection, private investigations, and tactical security consulting licensed in TN, VA, NC, SC and GA. Our leadership team, composed of former U.S. Marine Corps, Army Special Forces, SWAT, and senior law enforcement professionals, brings decades of proven operational expertise to every mission. Licensed across multiple states, we deliver professional, discreet, and mission-ready security solutions to both government agencies and private sector clients. Our unwavering commitment is to safeguard people, property, and critical infrastructure with precision, adaptability, and the highest standards of safety.

## CORE COMPETENCIES

- **Security Services:** Armed and unarmed personnel protecting government sites, commercial properties, industrial facilities, and critical infrastructure with 24/7 coverage and rapid response.
- **Executive Protection:** Discreet agents ensuring safety for government officials, executives, and high-profile individuals during travel, events, or daily operations.
- **Threat Assessments:** On-site evaluations of physical, procedural, and operational risks with tailored mitigation strategies.
- **Private Investigations:** Licensed investigators providing surveillance, fraud detection, background checks, and internal investigations with court-admissible reports.
- **Tactical Testing:** Penetration testing to identify and address weaknesses in access control, surveillance, and response protocols.
- **Access Control:** Secure entry management, credential verification, and perimeter enforcement to prevent unauthorized access.
