ABOUT US

At BSM Restoration and Construction, we deliver expert property restoration, insurance mitigation, and full-service renovation solutions with a focus on compliance, safety, and mission readiness. As a licensed, Black-owned small business, we are committed to supporting federal agencies and government facilities with high-quality, timely, and cost-effective services. Our experienced team understands the unique demands of public sector projects—from adhering to federal regulations and safety protocols to meeting tight timelines and budget constraints. Whether responding to storm damage, managing insurance recovery, or executing planned facility upgrades, we ensure every project is completed with integrity, precision, and accountability.

CORE CAPABILITIES

- **Water & Mold Mitigation:** Rapid response for water damage, mold remediation, and restoration services aligned with insurance requirements.
- **Interior & Exterior Renovations:** Full-service remodeling, including kitchens, bathrooms, basements, decks, and flooring—designed for durability and aesthetics.
- **Roofing, Siding & Gutter Systems:** Expert repair and replacement using high-quality, weather-resistant materials for long-term protection.
- **Insurance Estimates & Claims Support:** Accurate, Xactimate-compliant estimates and thorough documentation to streamline insurance claim processing.
- **Demolition & Debris Removal:** Safe, efficient demolition and site cleanup for both residential and commercial properties.
- **Customer-Focused Project Management:** Transparent communication, on-time delivery, and superior craftsmanship—ensuring client satisfaction at every stage.
