

## CAPABILITY STATEMENT

**Patriot Quality Inspection, LLC** is a veteran-owned business with over 20 years of experience in quality inspection, specializing in the automotive, military, medical, and aerospace industries. We provide thorough inspections of manufactured parts for defects, along with light assembly and rework to meet strict industry standards. Our commitment to high-quality service ensures quick turnaround times, consistent on-time delivery, and exceptional customer satisfaction.

## CORE COMPETENCIES

- **Quality Inspections:** Comprehensive inspection services to identify defects in manufactured parts, ensuring compliance with industry standards and specifications
- **Re-work Parts:** Precision rework of components to correct defects or meet strict requirements, ensuring functionality and quality
- **Light Assembly:** Assembly of components as needed, ensuring that all parts are correctly integrated to meet operational specifications
- **Gauging:** Accurate measurement and verification of part dimensions using precision tools to ensure compliance with design specifications and industry standards.
