

CAPABILITY STATEMENT

COMPANY OVERVIEW

Columbia Fleet Service, Inc. provides repair and maintenance for commercial trucks, trailers, and heavy equipment, supporting government agencies, municipalities, contractors, and fleets across Maryland, Washington DC, and Virginia. Established in 1991, the company is a leading fleet maintenance provider in Maryland, delivering reliable, cost-effective services, including preventive maintenance, emergency road service, heavy-duty towing, and mobile repair. Operating from a fully equipped facility with mobile units and towing equipment, Columbia Fleet Service supports scheduled maintenance and emergency response, keeping fleets operational through skilled technicians, advanced diagnostics, and 24/7 service.

CORE COMPETENCIES

- **Heavy-Duty Truck & Trailer Repair:** Repair and maintenance for medium- and heavy-duty trucks and trailers, including engine, transmission, suspension, and brake systems.
- **Preventive Maintenance & Fleet Programs:** Scheduled maintenance programs to improve performance, extend lifespan, and reduce downtime.
- **Mobile Repair & Onsite Service:** Mobile units providing onsite diagnostics, repairs, and maintenance to keep fleets operational.
- **Emergency Road Service & Towing:** 24/7 breakdown response, heavy-duty towing, and recovery services for rapid support.
- **Diesel Diagnostics & Mechanical Repair:** Diesel engine diagnostics, troubleshooting, and repair to ensure performance and reliability.
- **DOT Inspections & Compliance:** Inspections and compliance support to meet DOT safety standards.
- **Equipment Transport & Specialized Services:** Equipment hauling, hydraulic repair, welding, and HVAC services for fleet and heavy equipment.
- **Government & Commercial Fleet Support:** Fleet maintenance solutions for government, municipal, and commercial operations.
