

CAPABILITY STATEMENT

COMPANY OVERVIEW

MedEvent911 LLC provides on-site emergency and non-emergency medical services with highly trained Emergency Medical Technicians (EMTs) and Paramedics capable of delivering Basic Life Support (BLS) and Advanced Life Support (ALS) care. The company supports government agencies, public safety organizations, contractors, and private clients by providing medical staffing for events, industrial worksites, disaster response operations, and high-risk environments. With rapid deployment capabilities and experienced personnel, MedEvent911 delivers reliable medical coverage, mobile emergency response, and safety support for public gatherings, construction projects, wildfire response, and remote field operations across the United States.

CORE COMPETENCIES

- **On-Site Medical Staffing & Emergency Response:** MedEvent911 provides trained EMTs and Paramedics for public events, government operations, high-risk environments, and industrial or remote sites. Teams deliver Advanced Life Support (ALS) and Basic Life Support (BLS) care for immediate patient needs.
- **Wildland Fire & High-Risk Operations Support:** The company supplies line-qualified medics and specialized teams for wildfire, forestry, construction, and other high-risk environments, ensuring rapid, safe medical response in challenging conditions.
- **Disaster Response & Emergency Operations:** MedEvent911 deploys rapid-response medical teams to assist during disaster response, emergency operations, and large-scale public safety incidents, providing flexible coverage wherever needed.
- **Medical Escort & Transport Services:** Provides air and ground medical escort services, long-distance patient transport, and mobile emergency units to ensure safe monitoring and care during transit.
- **Training, Planning & Risk Management:** Offers CPR, AED, First Aid, and emergency preparedness training, along with medical planning and risk management for events, operations, and disaster response.

COMPANY DATA

- **Legal Business Name:** MedEvent911 LLC
- **Physical Address:** 639 S 39th St, Mesa, AZ 85206
- **UEI:** CXNHHK3KEM18
- **CAGE Code:** 69UL0
- **NAICS Codes:** 621399, 115310, 423450, 423850, 424210, 485991, 561320, 561990, 611699, 621910, 624230, 812199, 813920
- **Non-Federal Certifications:** EMT-P, TRT, HAZMAT

PAST PERFORMANCE

- **Government Agencies & Public Safety Organizations:** Medical staffing for local municipalities, emergency management operations, and public safety events
- **Wildland Fire & Forestry Operations:** Line-qualified medics supporting wildfire suppression teams and remote field operations
- **Industrial & Construction Sites:** On-site medical personnel for workplace safety, compliance, and emergency readiness
- **Special Events & Large Public Gatherings:** Medical coverage for concerts, festivals, sporting events, and other mass gatherings
- **Film & Television Production Sets:** Set medics providing emergency preparedness and on-site medical care for production crews

DIFFERENTIATORS

- **Rapid Deployment Medical Teams:** Able to respond quickly to events, disasters, and high-risk operations nationwide
- **Experienced EMT & Paramedic Staff:** Personnel trained in both emergency and non-emergency medical operations
- **Mobile Response Capabilities:** Equipped with ALS/BLS ambulances, off-road vehicles, and specialized medical kits for remote or challenging environments
- **High-Risk & Remote Environment Support:** Expertise in wildland fire operations, industrial sites, construction zones, and other hazardous locations
- **Comprehensive Medical Services:** From staffing and patient transport to training, planning, and risk management tailored for government agencies, municipalities, and contractors
