

CAPABILITY STATEMENT

COMPANY OVERVIEW

INVICTUS VETERAN SOLUTIONS LLC is a Service-Disabled Veteran-Owned Small Business (SDVOSB) based in Porter Ranch, California, providing Veteran Supportive-Housing Consulting, Mission-Driven Construction, Facilities Maintenance and Operations Support, Veteran Peer Support, Veteran Workforce Development, and Partnership Opportunities to address the needs within the veteran community. Led by former U.S. Army Special Operations veteran Ren H. Ross, who has supported the development of over 800 veteran housing units across Los Angeles and Orange County, with experience in Low-income housing funding opportunities like Section 8, HUD-VASH, HCD, VHHP, and LIHTC programs. INVICTUS works with federal and state government agencies, developers, and service providers to deliver housing solutions with the essential wrap around supportive services for long-term veteran stability and recovery. Invictus will prioritize veteran employment and partnerships with veteran-owned subcontractors to address the needs within our veteran community, and ensure our nations heroes get career advancement opportunities.

CORE COMPETENCIES

- **Veteran Supportive Housing Consulting:** Planning and coordination of veteran housing developments, including integration of supportive services, compliance with programs such as Section 8, HUD-VASH, HCD, VHHP, and LIHTC programs, while collaborating with the VA, local housing authorities, and community partners to ensure the needs of our veterans are fully met.
- **Construction & Infrastructure Support:** Construction consulting and management support, subcontracting, and coordination of site preparation and infrastructure for commercial, institutional, and government projects. Joint Venture opportunities with Sinanian Development.
- **Facilities Maintenance & Operations:** Delivery of preventive maintenance, equipment repair, and facility operations support for government and commercial properties. Includes subcontracting for security efforts and IT support.
- **Veteran Workforce Development:** Recruitment, placement, and development of veteran talent, with a focus on engaging veteran-owned subcontractors and supporting workforce training initiatives to ensure our veterans take the next steps in their careers. Our staff is the mission!
- **Government Contracting Support:** Participation in SDVOSB set-aside contracts, including joint ventures, teaming arrangements, contract compliance, project oversight, and entrepreneur opportunities that address specific needs within the veteran community.

PAST PERFORMANCE

- **Veteran Supportive Housing – Los Angeles & Orange County, CA:** Supported delivery of 800+ veteran housing units with the VA, developers, housing authorities, and service providers, including financing and service delivery aligned with HUD-VASH, VHHP, and LIHTC.
- **New Directions for Veterans (Los Angeles, CA):** Supported housing development and project coordination, including stakeholder alignment and service delivery for over 800 supportive housing units.
- **The Core Companies (EUL Collaboration):** Collaborated on 150 one-bedroom HUD VASH project based vouchered units with integrated wrap-around services called MacArthur Field Alpha and Bravo on the West Los Angeles VA campus for our nation's heroes.
- **West Los Angeles VA Campus (Ongoing Proposals):** Supporting housing proposals for additional veteran housing with integrated services (transitional and permanent supportive housing). Providing events, activities, and donations to stabilize the community. Focusing on recovery efforts, getting our heroes out of their rooms and participating in their communities.

DIFFERENTIATORS

- **Veteran-Led Leadership focusing on warrior ethos:** Led by a former U.S. Army Special Operations veteran with experience in mission execution, leadership, and operations.
- **Proven Housing Experience:** Experience in the development and delivery of 800+ veteran housing units, with knowledge of low-income housing funding programs and service integration best practices.
- **Veteran Workforce Focus:** Prioritizes hiring veterans and veteran-owned subcontractors to create employment opportunities for our nation's heroes.
- **Strategic Partnerships:** Partners with experienced firms to support delivery and pursue opportunities for our veteran community.
- **Mission-Driven Approach:** Focused on improving veteran housing, employment, and community outcomes.
- **Agile and Scalable:** Flexible structure enabling rapid teaming, efficient delivery, and adaptation to project needs.
