

COMPANY OVERVIEW

Wahpy LLC is a veteran-owned small business specializing in logistics coordination, operational support, and administrative management for government agencies and contractors. With leadership experienced in high-accountability environments, we bring expertise in inventory management, secure information handling, supply chain coordination, and reporting systems. We are committed to delivering reliable, efficient, and compliant operational support, ensuring streamlined workflows and adherence to regulatory standards. Wahpy LLC's mission is to provide government partners with dependable, mission-focused solutions that enhance efficiency, accountability, and readiness.

CORE COMPETENCIES

- **Logistics & Supply Support:** Wahpy LLC provides inventory management, materials accountability, and supply chain coordination. We ensure efficient receiving, inspection, tracking, and delivery of equipment and materials, maintaining warehouse readiness and logistics operations.
- **Administrative & Program Support:** We handle staff reporting, documentation, data entry, record maintenance, scheduling, and workflow coordination. Our services also include customer service, stakeholder communication, and office operations.
- **Operational Support Services:** Wahpy LLC manages production workflows, task execution, and quality control monitoring. We ensure compliance, equipment organization, operational readiness, and drive process improvements to enhance efficiency.
- **Security & Compliance:** We specialize in sensitive information handling, security compliance, and regulatory adherence. Our team ensures documentation oversight, operational safety, and hazard awareness, with a focus on incident reporting and accountability.

COMPANY DATA

- **Legal Business Name:** WAHPY LLC
- **Unique Entity ID (UEI):** FSFLCG9C6XY7
- **CAGE Code:** 9GJX4
- **NAICS Codes:** 541611, 561320, 561720, 423430, 423450, 488999, 311811, 111120, 111334, 211120, 211130, 212230, 561210, 561110, 541614, 561320, 561990, 488999

PAST PERFORMANCE

- **U.S. Navy Logistics Support:** Managed logistics for 300+ personnel, overseeing supply chain management, inventory control, and material distribution.
- **Military Supply Operations:** Maintained accountability for \$1M+ in inventory and equipment, coordinating distribution, receiving, and inspection processes.
- **Administrative Support for Government Projects:** Delivered administrative support, including staff reporting, documentation, data entry, and scheduling for government operations.
- **Healthcare Logistics Management:** Coordinated medical supply distribution to healthcare facilities, ensuring compliance with federal and state regulations.

DIFFERENTIATORS

- **Mission-Focused Discipline:** Leadership experience from the U.S. Navy instills a culture of strong accountability, reliability, and structured execution, ensuring high-performance standards in mission-critical operations.
- **Proven Logistics Expertise:** Extensive experience in managing large-scale supply operations, maintaining accountability for inventories exceeding \$1M, and ensuring the timely and accurate delivery of critical materials and equipment.
- **Security & Compliance Expertise:** Strong background in regulated environments, with a focus on strict adherence to security protocols, regulatory policies, and safety standards, ensuring all operations meet compliance requirements.
- **Operational Efficiency & Process Improvement:** Demonstrated ability to identify inefficiencies in workflows, streamline processes, and implement solutions that enhance operational performance and overall efficiency.
